#### REMARKS

The specification has been amended to include a "Related Applications" section, which states that the present application is a 35 U.S.C. §371 national phase application of PCT International Application No. PCT/EP2004/008891 and claims priority to the identified European and U.S. patent applications. The claims have been amended to better conform to U.S. practice. The amendments to the claims are based on the claims as amended by the amended sheets received by the European Patent Office on June 10, 2005 and published with the International Preliminary Report on Patentability.

Please enter this amendment prior to calculating the fee in this case. Applicant respectfully requests substantive examination on the merits.

Respectfully submitted,
